No. PTA/TA-I/2026/191
OFFICE OF THE SECRETARY
PUNJAB PROVINCIAL TRANSPORT AUTHORITY
91, SHADMAN-II, LAHORE

Dated Lahore the 29th October, 2026

ORDER

Subject: **SUSPENSION OF LICENCE – IRREGULARITIES IN EMISSION TESTING AT PVICS STATION, GOHAWA ROAD, LAHORE**

WHEREAS M/s Longsight Motors (Pvt.) Limited (hereinafter referred to as "the Licensee") has been licensed by the Punjab Provincial Transport Authority (hereinafter referred to as "the Authority") vide Licence No. PTA-TA1-2025/927 dated 06.11.2025, issued under Rule 35-A of the Punjab Motor Vehicles Rules, 1969, and the Licensing Document for Establishing Vehicle Emission Testing Centers (Phase-I), September 2025 (hereinafter referred to as "the Licensing Document"), to establish and operate a Vehicle Emission Testing Center of private motor cars under the Private Vehicle Inspection and Certification System (PVICS) at E-561-C, Bosch Car Service, Shaham Town, Gohawa Road, Off New Airport Road, Lahore;

2. **AND WHEREAS** under the terms and conditions of the Licence, the Licensing Document and the undertaking furnished by the Licensee at the time of licensing, the Licensee is bound to conduct complete emission testing of every vehicle strictly in accordance with the specified equipment, the procedure notified by the Authority and the Key Performance Indicators annexed with the Licence, to deploy only duly trained and competent personnel for the purpose, and to display the licence certificate and the official testing fee rates as prescribed by the Authority;

3. **AND WHEREAS** vide Order No. PTA/TA-I/2026/1055 dated 15.10.2026 **(Annex-A)**, a penalty of Rs. 15,000/- was imposed upon the Licensee for the first violation of KPI Nos. 8 and 12, and vide Order No. PTA/TA-I/2026/190 dated 29.10.2026 **(Annex-B)**, a penalty of Rs. 40,000/- was imposed upon the Licensee for the second violation of KPI Nos. 1, 7 and 10, whereby the Licensee was put on final notice that any further violation shall attract suspension of licence;

4. **AND WHEREAS** the Secretary, Regional Transport Authority, Lahore, along with the Motor Vehicles Examiner, Lahore, vide Inspection Report dated 28.10.2026 along with photographs and CCTV stills **(Annex-C)**, has reported serious irregularities and suspected manipulation of emission testing at the facility, observed during a visit on 28.10.2026, namely that:

(a) the staff of the Licensee was not performing the emission tests in the prescribed manner, and in particular the testing probe was not being properly inserted into the exhaust tailpipe of the vehicles for sampling and analysis of exhaust emissions, while approximately 7–8 vehicles were waiting in the queue for inspection;

(b) the staff deployed at the facility appeared to lack the necessary training and technical competence required to conduct emission inspections in accordance with the prescribed procedure;

(c) the CCTV footage of the facility covering the preceding 24 days indicated that the same practice had been followed over an extended period;

(d) the prescribed fee schedule was not properly displayed at the facility, thereby compromising transparency regarding the charges payable by the general public; and

(e) the inspection reports being issued to vehicle owners were printed in black and white, requiring verification against the prescribed format and quality;

5. **AND WHEREAS** the CCTV footage establishes that the issuance of emission testing certificates without conducting the complete testing of vehicles has not been an isolated lapse but a continuous practice at the facility over a period of at least 24 days, which defeats the very purpose of the Private Vehicle Inspection and Certification System, misleads vehicle owners and the general public, and undermines the efforts of the Government of the Punjab to control vehicular emissions and smog;

6. **AND WHEREAS** the aforesaid acts and omissions of the Licensee constitute multiple and continuous violations of the terms and conditions of the Licence and the Licensing Document and of the following Key Performance Indicators **(Annex-D)**, for which the prescribed penalty is suspension of licence:

KPI No.	Nature of Violation	Penalty (3rd / Continuous Violation)
1	Issuance, provision or attachment of emission testing certificates without conducting the complete testing of private motor cars, continuously over a period of at least 24 days	Suspension of licence

7	Performing incomplete or faulty emission testing, including testing by untrained and incompetent personnel	Suspension of licence

7. **NOW, THEREFORE,** in exercise of the powers conferred on the undersigned as derived from the terms and conditions of the license as read with the Key Performance Indicators (Annex-D) thereof, issued under the Rule 35-B of the Punjab Motor Vehicles Rules, 1969, the undersigned is pleased to suspend Licence No. PTA-TA1-2025/927 dated 06.11.2025 of the Licensee with immediate effect, pending inquiry. During the period of suspension:

(a) the Licensee shall not conduct emission testing of any vehicle, or issue, provide or attach any emission testing certificate, and any certificate so issued shall be void;

(b) access of the Licensee to the LAWMIS and PVICS portals shall stand suspended forthwith; and

(c) the Licensee shall prominently display a notice of suspension at the licensed premises for the information of the general public.

8. The Secretary, Regional Transport Authority, Lahore, is directed to conduct a detailed inquiry into the testing practices of the facility, the qualifications and competence of its staff, the integrity and calibration of its emission testing equipment, including the suspected manipulation thereof, and the emission testing certificates issued by the Licensee from 04.10.2026 to 28.10.2026, and to submit the inquiry report to this office within seven (07) days. The Licensee is directed to preserve the complete CCTV footage and testing record of the facility and to extend full cooperation in the inquiry.

9. The suspension shall remain in force until the Licensee (i) deposits all outstanding penalties along with the prescribed suspension fine through Challan Form 32-A; (ii) deploys duly trained and competent personnel, as verified by the Secretary, Regional Transport Authority, Lahore; (iii) gets its emission testing equipment verified and calibrated within the required specifications; (iv) displays the licence certificate and the prescribed fee schedule and issues inspection reports only in the prescribed format; and (v) furnishes a written explanation and an undertaking of future compliance, whereupon the Authority may consider reinstatement of the licence in the light of the inquiry report.

10. The Licensee is further put on notice that no application for renewal of the licence shall be entertained while the suspension remains in force, and that, in terms of the Licensing Document and the Note appended to the Key Performance Indicators, in case the inquiry establishes manipulation of emission testing or the Licensee fails to achieve compliance within thirty (30) days of the receipt of this Order, the licence shall be liable to cancellation / revocation, and the emission testing certificates issued without complete testing shall be liable to be declared void.
