

REGISTRATION OF OEMS / MANUFACTURERS / ASSEMBLERS AND THEIR ELECTRIC 2 WHEELERS FOR PROVISION OF ELECTRIC 2 WHEELERS IN PUNJAB (PUNJAB CLEAN AIR PROGRAM)

The Transport & Masstransit Department is launching an Electric 2 Wheelers (E-Bikes) initiative to promote clean, efficient, and affordable urban mobility in Punjab.

Under this program, a registration process is being initiated for firms and their e-bike models that meet the prescribed eligibility criteria and technical specifications. The process will establish a reference list of compliant models based on safety, performance, and operational standards for future program rollout.

OEMs / Manufacturers / Assemblers are invited to apply for registration of their firms and their e-bike models. Applications must be submitted with all required documents, as specified in the registration documents. The deadline for submission of applications is **20-04-2026 (Monday) till 04:00 PM (PST)**.

A clarification meeting will be held on **07-04-2026 (Tuesday) at 11:00 AM** in the Committee Room of Transport & Masstransit Department, Government of the Punjab, 11-A Egerton Road, Lahore.

Application guidelines, evaluation criteria, and other relevant documents can be downloaded from the Client's website www.pcap.punjab.gov.pk and <https://transport.punjab.gov.pk/>.
